### **UPDATE North 27<sup>th</sup> Street Construction Project**

Beginning Friday, October 18<sup>th</sup>, North 27<sup>th</sup> Street from W. Wells Street to West Wisconsin Avenue will be completely closed to traffic, as private utility work continues. This closure is expected to last until November 6.

However, the intersections at N. 27<sup>th</sup> St. and W. State St, N. 27<sup>th</sup> St. and W. Wells St. and N. 27<sup>th</sup> and W. Wisconsin Ave. will remain open to east/west traffic.

The stretch of N. 27<sup>th</sup> St. from W. State St. to W. Wells St. that had been closed this week will re-open to traffic on Friday, October 18<sup>th</sup>.

Southbound traffic will continue to be re-routed to North 35<sup>th</sup> Street. A fixed message sign with an arrow has been placed at N. 27<sup>th</sup> St. and W. Highland Blvd. to direct motorists to use N. 35<sup>th</sup> St.

Southbound Milwaukee County Transit buses will continue to be re-routed as follows:

- At N. 27<sup>th</sup> St. and Highland Boulevard, buses will turn left (east) to N. 26<sup>th</sup> St.
- At N. 26<sup>th</sup> St., they will turn right (south) to W. Wisconsin Ave.
- At Wisconsin, buses will turn right (west) to N. 27<sup>th</sup> St.
- At N. 27<sup>th</sup> St., they will turn left (south) and continue south

Temporary “NO PARKING – TOW AWAY ZONE” signs will be installed on N. 26<sup>th</sup> St., as well as temporary BUS STOP signs and information on how and where the bus stops have moved.
